Service Fee Schedule

Planning a trip well takes real time, research, and expertise — this schedule outlines what that work costs. Fees are billed separately from the price of your travel and are due at the time each service begins.

I.

Trip Planning Fees

Covers research, custom itinerary design, supplier vetting, and the initial proposal. Due at the start of planning; not refundable if you choose not to book, and not double-charged alongside a Group Fee below.

Service	What's included	Fee
Individual / Couple Trip	One destination, standard length (up to 7 nights)	**$150**
Small Group Trip	3–5 travelers, one itinerary, one destination	**$250**
Complex / Multi-City Trip	Multi-city, multi-country, or 8+ nights with multiple moving pieces	**$450**

Complex trips involving destination weddings, milestone celebrations, or full concierge-level planning (private transfers, dining reservations, curated excursions) are quoted individually and may exceed this range.

II.

Packages Booked Through a Supplier

Applies to pre-built packages sold directly by a cruise line, resort, or tour operator (cabin/room, air, and shore excursions or activities bundled together). Because the supplier has already assembled the itinerary, this fee replaces the Trip Planning Fee above rather than adding to it.

Package type	Notes	Fee
Standard Package	Single cabin or room, one supplier, no customization beyond category/cabin choice	**$75**
Package with Add-Ons	Base package plus extras I research and add — excursions, dining packages, drink packages, upgrades	**$125**
Custom / Layered Package	Two or more packages combined (e.g., a cruise plus a pre- or post-stay hotel package) or extensive customization	**$200**

Group Coordination Fees (Section IV) still apply when a supplier package is booked for more than one traveler or cabin.

III.

Air Booking Fees

Applies per ticket, per person. Airlines pay no commission on air, so this fee covers fare research, seat assignments, and monitoring for schedule changes.

Ticket type	Notes	Fee
Domestic Flight	Standard domestic itinerary, per ticket	**$35**
International Flight	Standard international itinerary, per ticket	**$50**
Complex Routing	Multi-city, multi-airline, or award-ticket routing, per ticket	**$75**

IV.

Group Coordination Fees

Charged per traveler on group bookings (family reunions, friend trips, group cruises) to cover room-block management, individual payments, and coordinating everyone's preferences. This fee applies in addition to Trip Planning above.

Group size	What's included	Fee per person
1–5 Travelers	Standard coordination, single payment schedule	**$50**
6–10 Travelers	Multiple rooms/cabins, staggered payments	**$40**
11+ Travelers	Full room block, individual invoicing — plus a $150 flat group management fee	**$30**

V.

After-Booking Support

Once your trip is booked, these fees cover changes, updates, or extra support I provide on your behalf.

Service	Notes	Fee
Minor Change	Date, room, or name correction on an existing reservation	**$25**
Itinerary Revision	Re-quoting or rebuilding part of a confirmed itinerary	**$50**
Cancellation / Refund Processing	Per booking, in addition to any supplier-imposed penalty	**$50**
Ongoing Concierge Support	Per person — dining reservations, transfers, and day-of coordination for groups/weddings	**$25–$50**

VI.

Rush Fees

Added on top of the applicable Planning or Air fee above when a request comes in close to travel dates.

Timeframe	Notes	Fee
Within 7 Days of Travel	Flat add-on to cover expedited research and booking	**+$75**
Same-Day / Next-Day	Flat add-on for immediate turnaround requests	**+$125**

How this works

- All fees are due at the time the service is requested and are separate from the cost of your trip.
- Fees are non-refundable once work has begun, whether or not you choose to book.
- Fees do not reduce or offset any commission I earn from suppliers — my fee and your trip price stay the same whether you book with me or not.
- A written quote confirming the exact fee(s) that apply to your trip is always provided and agreed to before work begins.
- Trip Planning and Package fees include up to three (3) revisions to your itinerary or booking. Additional revisions are evaluated case-by-case, and most revisions beginning with the fourth are treated as a new trip request — see your Client Services Agreement for full details.
- Returning clients and referrals may be offered a reduced or waived planning fee at my discretion.

Thank you for trusting Me-Me's Travel Service with your journey.
